RE: Citizens to Elect Rick Larsen
October Quarterly Report (8/31/00-9/30/00)

FEC# C00345546

Mr. Yates:

This is a response to your letter dated Jan. 17 in reference to the October Quarterly Report filed by Citizens to Elect Rick Larsen on October 12th of last year.

-Regarding those individuals whose donations appear to have exceeded the set donation limits we provide the following information and/or have taken the following action:

- Paul Hohenlohe - Due to a clerical error a \$1,000 donation made on 10/4/00 was mistakenly reported on the report in question as being received on 9/27/00 in the amount of \$1,500. The mistake was corrected and was reflected on subsequent reports.
- John Paschem - A donation made on 9/8/00 was designated to the Primary Election in error; the individual designated it for General Elections at the time of the contribution. Due to a clerical error the redesignation was not reflected on the report in question.
- Bonnie Robbins - Due to a clerical error a donation made by the spouse of the individual in question on 12/28/99 was mistakenly attributed to Mrs. Robbins. The mistake was corrected and was reflected on subsequent reports.
- Jill Schropp - A donation made on 9/8/00 exceeded the contribution limit for the Primary Election and was redesignated within 60 days of the original donation. The redesignation was received after the reporting period in question and was reflected on subsequent reports.
- We have examined our records for excessive donations. The portion of any such contribution that exceeds the limits set forth by the Act has been refunded and will be reflected on the next scheduled report. Enclosed are copies of the refund checks in question (please see attachment #1).

-Regarding your request that we amend our report to correct the Column B discrepancies for Lines 11(a)(iii), 11(c), 11(e), 15, 16, 17, 22, 6(a), 6(e), 7(a), 7(c) we have enclosed amended Summary and Detailed Summary Pages for the report in question (please see attachment #2).

-Regarding the indication that the committee may have failed to file the required 48-hour notices we find the following discrepancies and provide the following information:

- The commission was notified within 48-hours of a contribution from the United Food and Commercial Workers Active Ballot Club made on 8/31/00. We have amended the report in question to reflect the proper name of the political committee (please see attachment #2).
